4.40 ft³ - Manual Defrost - Undercounter - Manual Defrost - Reversible - 4.40 ft³ Net Refrigerator Capacity - 120
V AC - 228 kWh per Year - White - Built-in

When space is at a premium, this compact refrigerator is the perfect companion. With a 4.4 cubic foot capacity, this refrigerator is capable of storing your items conveniently in a compact design. Slide-out glass shelves provide easy access to your items. Keep items frozen in the full-width freezer department. Recessed door handle and space-saving flat back design let you conveniently put this item in tight locations. Compact refrigerator also features a reversible door that swings to the right or left, interior light and adjustable leveling legs. The door also stores up to six 12 oz. cans, 2-liter bottle, gallon-size jug and more. Refrigerator is ADA compliant and Energy Star qualified.
