Consumer Benefits

CrispSeal® Crispers

Keep produce fresh for longer and avoid premature shriveling in our CrispSeal® Crispers. Unlike other crispers, ours offers a seal that blocks out dry air from entering your crisper.

Large Door Bin Storage

Our large bins offer more door storage, without sacrificing valuable shelf space.

PurePour™ Water Filter

Keep safe, great tasting water flowing. Our filter reduces up to 99% of contaminants, cuts back on plastic and saves the cost of bottled water. NSF & WQA certified.

For complete list of contaminants, please see Performance Data Sheet on Frigidaire.com

Auto-Close Doors

Avoid spoiled food with our auto-close doors, which ensure your doors are never left slightly open by automatically closing once the door is ajar 5" or less.

EvenTemp™ Cooling System

Keep your food fresh and reduce freezer burn with our variable speed compressor that reacts quickly to temperature fluctuations and constantly circulates cold air throughout the fresh food and freezer compartments.

Full Width Deli Drawer

Easily access and organize your deli meat and cheeses within our full width deli drawer.
