**Product Features:**

|                                         |                                                                                                                           |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| 22" Wide Top Mount Refrigerator-Freezer | Slim-fitting 22" wide refrigeration solution with a 2-door design ideal for small kitchens                                |
| Thin-line design                        | Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots                   |
| ADA compliant                           | Lower height makes this unit an ideal choice for locations complying with ADA guidelines for accessibility                |
| Stainless steel look                    | Both doors feature a silver finish with a vertical grain                                                                  |
| Spacious capacity                       | 7.4 cu.ft. interior offers generous storage in a slim fit                                                                 |
| Cycle defrost                           | Combines an automatic defrosting refrigerator with a manual defrost freezer for a quality performance with energy savings |
| Adjustable thermostat                   | Dial thermostat offers easy temperature management                                                                        |
| Adjustable glass shelves                | Spill-proof glass shelves to accommodate all bottle shapes and sizes and to simplify clean-up                             |
| Door storage                            | Removable door racks let you accommodate large bottles and condiments for convenience storage                             |
